For almost a century CHILDREN'S HOSPITAL/National Medical Center has treated every child who has come to its door for help. The parents of many of these children cannot pay the full cost of their care. Due to the generosity of community minded individuals like yourself, these children receive the best medical and surgical care available.

Your generous contribution will help in many ways—in emergency care of a sick child, in the rehabilitation of a handicapped child, and in some cases in saving or prolonging a child's life.

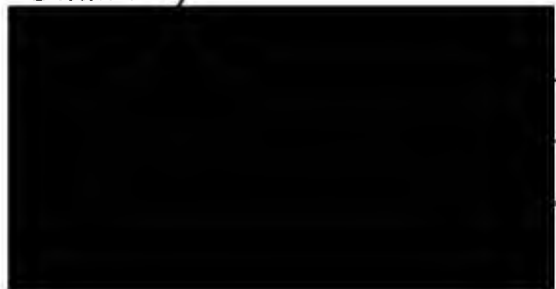

It has been wisely said: "When you invest in children, everyone profits."

Please know that we are very grateful.

Sincerely,

*John H. Sharon*  
President
